

GEORGE SUTTON PROVES THAT NOTHING IS TOO HARD FOR HIM AND TAKES UP THE GAME OF GOLF

CENTRAL WINS INDOOR TITLE

Disqualification of Glassner in Mile Gives Mirrors Championship

WEST PHILA. IS SECOND

Through an unfortunate oversight of several of the officials of the annual indoor "quads" held yesterday afternoon in the second Regiment Armory, Central High School was nearly deprived of the indoor track and field title of the Philadelphia high schools...

PENN LOSES DAVIS FOR SYRACUSE GAME

Star Quaker Center Unable to Take Final Trip of Cage Season

PECK BACK IN LINE-UP

The Penn basketball team will be weakened considerably for the final trip of the season which starts tomorrow night and includes the last two games of the cage year...

Enter C. L. Rabby

But in the meantime, C. L. Rabby, coach of the South Philadelphia track team, was voluntarily informing the officials that Glassner, a South Philadelphia runner, was to have been disqualified from the mile race...

Only One Thing to Do

Secret sessions were then in order, with Samuel Dallas, Herman Meyer and Jesse Goldsmith acting in the leading roles. Following ten minutes of whispering and much thinking on the parts of the three men mentioned above, it was finally decided that the best thing to do in a case like this was to give the fourth man, who was Detweiler, of Central High, third place and Ladow, of West Philadelphia, the fifth place...

SECRET SESSIONS

The extra credit was the turning point of the meet, for it broke the existing tie and gave Central High the title which it lost last year for the first time in its history. The new ruling was accepted without a word of protest by the West Philadelphia High students and the officials in addition to the referee Rabby, he congratulated on their splendid sportsmanship.

THE MEET ABOUNDED WITH SURPRISES

Thrilling sprints and close finishes, which had been expected to finish a poor third, lost only because it had no high jumpers and hurdlers. The Archives scored one or more points in every event. Central High won five of the first ten places. Captain McMillan taking the quarter and half-mile, after close races with Captain Grounquist of Northeast, Rainey, of South Philadelphia, was the only other double winner, coming in first in the 40-yard dash and 220-yard dash.

Easy for Speedboys

West Philadelphia just cleaned up in the running high jump, Wilson and Cohen trying for first, Reynolds taking third, while Mitchell split fourth place with Jimmy Russell, of Central. Russell was one of the most promising trackmen in the city and bids fair to develop into a second Everett Smalley.

Credit is Due Radebaugh, the star runner

which he won at Northeast High. He was the runner who had been mentioned in the "baked" two hours Monday and two hours yesterday, in order that he should run. This handicap didn't prevent the cross-country captain from running one of the greatest mile races of the career. Turning into the last lap runner, the Central entry, shot into the lead, which advantage he increased to twelve yards on the backstretch. Radebaugh was far from all in and a sensational sprint carried him within eight inches of Haffner when the air crossed the line a winner.

Notes of the Bowlers

The fall season made the male bowlers in the B. C. tournament look like amateurs. When Mrs. H. Acker and Mrs. J. Kelly, roll-up the doubles, they scored over 200 in a total of 1012 pins, which equals the best score ever made by a woman last week at Cincinatti.

Work on Huge Amphitheatre Will Be Started in Two Weeks

A site for such an institution has been found near division headquarters and within two weeks actual work on the amphitheatre will be under way. The project has the approval of General Kuhn and other officers. After watching the advancement of the boxers, they became convinced that in the development of speed and hardening of muscles this sport offers greater advantages than anything else in the field of training.

Franklin's Public Wherry

Franklin's public wherry, which has been in the city for a short while, was seen in a recent appearance before the public at the Olympia Monday evening in his initial appearance.

ACADEMY ASSOCIATION STAGES TARGET MEET

Fifty-Target Event Feature of Northeast Club's Mid-Week Test

Local gunners get in action today for a little midweek shooting at the Philadelphia Shooting Academy traps in the northeast section. Quite a little interest is being manifested in the Wednesday sport, which gives the Quaker gunmen chance to their game.

MISKE ADMITS HE'S CHAMPION

Claims He Is the Only One Really Entitled to Meet Willard

HERE'S HIS RECORD

Billy Miske, of St. Paul, a fighter of toughness, wants to know where he gets off in this Willard-Fulton-Dempsey thing. In a letter today Pearl Smith, manager of Miske, wants to know why Billy isn't being given a more conspicuous mention. "Although Fulton and Dempsey are first-class men, I can't see why promoters overlook Billy Miske, who has defeated Fulton twice," Smith remarks under a letterhead which proclaims Billy the world's heavyweight champion.

Miske Outclasses Them

"In seventy bouts," Smith ambles on, "Miske has never been knocked off his feet, whereas Dempsey and Fulton have been knocked out. I have been trying to get Dempsey to meet Miske, but to date have not succeeded."

Fulton-Dempsey Bout Suggested

Although Fred Fulton and his manager are headed for a Willard fight in Kansas City today, they are considering a bout with Miske in the near future. The slugging given the mighty planter by old Tom Cowler caused one Chicago promoter with a spare \$200 to offer that amount for a match with Jack Dempsey.

Dempsey Is Willing

Jack Keenan sent up a wall of anguish today over the efforts of promoters to match Fulton and Willard. He is not a promoter, but he is an expert with firearms. "We are not certain that Dempsey can whip Willard and do it decisively," he declared.

GUNNING NOTES

E. Fred Slear, the Ollingswood, N. J. wing shot, gave a clever exhibition of trapshooting at Cramer Hill the other day, scoring 98 per cent of his birds in a fifty-target test.

RICKEY WILL ENCOURAGE ST. LOUIS BALL LEAGUES

Branch Rickey is a responsible person. So many of the small minor leagues in the middle West have disbanded temporarily suspended operations for the period of the war that there are now only a few organizations in the vicinity of St. Louis to which major league clubs can farm out young players.

GREAT JAP WRESTLER RETIRES WITH FORTUNE

Tachiyama, Japan's greatest sumo wrestler, has retired from the game with plenty of money to tide him over. He was the John L. Sullivan of Japan, and he has made a score of 77 victories in his career.

Scrap About Scrappers

TED LEWIS, welterweight champion, is the innocent cause of a substitution in Saturday night's card at the new National A. A., and one might say he is the cause of the trouble.

Had to Lengthen Clubs

"I began with the ordinary clubs," he said, "but soon found that it was not possible to get any follow through. I had all the clubs lengthened and now I can get as much of a follow through as most players. I have driven in some instances more than 200 yards."

GEORGE SUTTON AS A BILLIARD PLAYER

Armless billiard expert shown addressing the ball. His club is two feet longer than the regulation stick, as will be noted.

GEORGE SUTTON, THE ARMLESS BILLIARD PLAYER, IS ALSO AN EXPERT ON THE GOLF COURSE

Uses Clubs Two Feet Longer in Shaft and Has Record of 77 Over One of the Chicago Links

Has a 77 to His Credit

But while all these things which do seem very much out of the ordinary to us, he is a man who has seen him in local exhibitions to learn that he also is a golfer. And he is not in the dub class by any manner of means, for he has made a score of 77 for eighteen holes over one of the Chicago courses.

Golfers Would Rather Play

"Golf differs somewhat from billiards, necessarily, and one of the things I have learned in there is not the same interest in watching me play golf as there is in watching me play billiards. Golfers are too keen about their own game to watch others play, and I do not know of any other game where it is so clearly evident that the players are interested in watching me play golf as there is in watching me play billiards."

Had to Lengthen Clubs

"I began with the ordinary clubs," he said, "but soon found that it was not possible to get any follow through. I had all the clubs lengthened and now I can get as much of a follow through as most players. I have driven in some instances more than 200 yards."

CUBS AND BRAVES OFF FOR TRAINING CAMPS

Majority of Clubs Either at Work or on Way to Spring Practice

ALEX MAY REPENT

With the majority of the major league baseball clubs either working out under the boiling sun in the sunny South or speeding along at a rapid pace to their training camps, the spring training season is fast under way. From now until the opening of the league season the fans may expect to read daily of the wonderful work of the future Cobbs and Alexanders.

Yanks to Play Camp Wheeler

Secretary Harry Sparrow of the Yankees today offered the services of the club to play games with the teams from Camp Joe Wheeler twice a week. Training under Manager Huggins at Mason, Va., continued briskly yesterday with two workouts lasting an hour and half each.

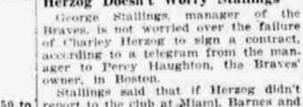

Herzog Doesn't Worry Stallings

George Stallings, manager of the Braves, is not worried over the failure of Charley Herzog to sign a contract, according to a telegram from the manager to Percy Houghton, the Braves owner, in Boston.

Open Bids for Roads

Harrisburg, March 12.—The State Department has opened bids for about thirty-three miles of road in Cumberland, Dauphin, Butler, Centre, Crawford, Huntingdon, Lehigh, McKean and Susquehanna Counties, but no awards were made.

Easy elegance that rests the body and de-lights the eye—that is Mercer beauty.

The Mercer engine has 4 cylinders, 3 1/4-inch bore and 6 1/2-inch stroke, combining power and speed.

Larson-Oldsmobile Company

231-33 North Broad Street, Locust 4487, Race 2140

Samuel Earley Motor Co.

675 N. Broad St., Philadelphia

FACTS

There is a steadily increasing demand for automobiles as Spring approaches. The transportation problem is serious and because of interferences in productive capacities there will not be enough cars to meet the demand.

It might be good merchandising for us to hold such cars as we are getting for the higher prices which are certain to come as a result of scarcity. Nevertheless—

We are not forgetting our friends and patrons, and we urge you who are contemplating the purchase of a car to secure it without delay.

BOXING FANS PLEAD FOR RETURN OF SPORT

Charge Albany in Effort to Get McCue Bill Out of Committee

ALBANY, N. Y., MARCH 12.—Boxing

sought a return match with the sport which has been a victim of a strict knockout at the last session, the Legislature showed its gameness by coming up for more punishment. A big delegation appeared before the Assembly Judiciary Committee this afternoon to boost the return match.

COBB OFTEN PUT OUT, BUT HE TAKES CHANCES

Cobb may be the hardest man in the American League to touch out when he is trying to steal, but he annually gets touched out oftener than anybody else. Last year the Peach was beaten to his right by the Braves in thirty-four of thirty-five at-bats.

Edgie Collins was a .706 base runner

in 1917, getting away with fifty-three steals out of seventy-five tries. McCally's percentage of bases was .429. He got away with three steals in seven opportunities.

NAVY YARD ENTERS PENN'S RELAY GAMES

Large Squad to Compete in Varied Program on Army and Navy Day

ENTRY LIST GROWS

Philadelphia's Navy Yard will be represented in all of the military and naval events at Pennsylvania's relay carnival on April 26 and 27. These events consist of wall scaling, squad drill, bugs, contest, rescue race, bayonet charge, one-half mile relay in light marching order, sprint medley relay race and one-mile relay race. Director McCracken is already getting the men ready for these events. He hopes to have a wall-scaling team and a squad for the drill that will give the army men a stiff competition.

Many Athletes to Compete

In all the other events Director McCracken hopes to have good entries, as there are many fine athletes at the navy yard. All of the above events, with the exception of the one-mile relay, will take place on Friday, the 26th, which will be called Army and Navy Day and which should be one of the most interesting sporting events of the entire year.

Entries Pass 200 Mark

The entries for the relay carnival have now overtaken the 200 mark. The high schools, as usual, are in the majority. At present seventy-five high schools are on the list, and there will, no doubt, be more than
